THE PUBLIC MUSIC & SPEECH EXAMINATION BOARD

This official syllabus of the GUILD are purposely designed to meet the needs of Private Teachers, Professional Musicians, Members of the Acting Profession and Education Institutions, as well as to cater for those of the large company, if not the majority, of music and drama lovers whose desire is to pursue the study and practice of their art chiefly for its aesthetic and spiritual values, if not for professional reasons.

Because of the character of its constitution as revealed in the “Article of Association” the GUILD is particularly suited for such a purpose. Therefore, the examination Lists will be found to be comprehensive, catering for the academically minded, the performing artist, and for those who seek recreation, cultured self-expression and the development of a rewarding and satisfying professional life.

All of the work is carefully graded, and teachers preparing students for GUILD examination will have a very useful outline upon which to develop their lessons. GUILD examinations provide for a wide range of abilities and give an excellent goal for students in their music studies. They develop a sense of purpose and direction and can be undertaken in addition to other activities, as they are not meant to be the only music event in a student’s year.

The report provides a reliable assessment of a candidate’s progress, and contributes, through comments and marks, to the student’s development.

In all GUILD syllabus, teachers will find the requisites of a ready planned system of training for their students, in which due regard to the need for a broadly based knowledge and skill has been carefully integrated throughout the Grades and Diploma areas, so as to encourage personal music development to the limit of the individual.

It is the sincere desire of the GUILD council that the continuing growth of the GUILD national Music & Speech education program, and of these highly developed and often innovative syllabus, will especially aid teachers and their students in the furtherance of their personal studies and interests, thereby enhancing the appreciation of the musical and dramatic arts in the community at large.
